

English

In literacy this half term, we are exploring how the Victorians lived and putting this information into an information text in the style of Horrible Histories. We are reading A Christmas Carol and then we are going to write our own version of the story.

Art & Design

As artists this half term, we are looking at the artist Lowry. During this exploration of Lowry, we are looking at colour mixing and perspective.

We are also looking at creating art with different textures and shapes, this has been inspired by the book 'The Dot'.

Computing

As researchers, we are using the iPads and laptops to find out different information about the Victorians.

Mathematics

As mathematicians this half term, we are focusing on the four rules of number (addition, subtraction, multiplication and division) as well as using and applying our measuring skills to make a Christmas card.

Design & Technology

As part of our exploration, we are looking at making gingerbread. Where it originated from and why the Victorians had it in their homes

Geography

As geographers, we are looking at how the British Empire grew under Queen Victoria's rule and which countries she colonised. We will be using atlas and maps skills to identify the countries.

Science

History

As historians this half term, we are exploring the society, industry and colonisation within the Victorian era. We are looking at the inventions, the food, the clothes, the jobs and lots, lots more

Modern

Languages

In French, we are recapping all of our previous knowledge and then looking at a French Christmas and all the vocabulary surrounding it.

Music

With Mr. Childs our music specialist, we are learning the ukulele. We are learning how to read music. We are also going to write and compose a jingle to include in our Horrible Histories episode.

Physical

Education

We are learning all the skills needed to play Netball.

Religious

Education

We are exploring the question: Do I know how and why Christians follow Jesus?
