Dear Parents and Carers,

As a part of your child's education at **Summerfields Primary Academy**, we continually promote personal wellbeing and development through a comprehensive curriculum, which gives young people the knowledge, understanding, attitudes and practical skills to live safe, healthy, productive lives and meet their full potential.

Furthermore, following the Department for Education's changes to the relationships and sex education (RSE) in September 2020, we have continued to develop our curriculum to ensure that pupils learn about families and the people who care for them, caring friendships, respectful relationships, online relationships, and being safe across our curriculum offer.

Due to the recent pandemic and the commitment we have regarding the mental wellbeing of our pupils, we would like to take this opportunity to reflect and further embed our RSE curriculum and policy, so we can be sure that our provision is meeting the needs of all our pupils based on their:

- Age
- Physical and emotional needs
- Religious and cultural backgrounds
- Special educational needs and disabilities

As a school community, we are committed to working in partnership with parents and all stakeholders within it, and as such, we would like to hear your feedback on our current RSE curriculum offer and how we can develop and embed it further.

Therefore, we would like to invite you:

- To take the opportunity to revisit information regarding our RSE curriculum:

<https://www.summerfieldsacademy.co.uk/personal-social-health-education-and-relationships/>

- To take the opportunity to view our policy and curriculum intentions:

<https://www.summerfieldsacademy.co.uk/personal-social-health-education-and-relationships/>

- Complete a questionnaire in order for your feedback to be captured – The questionnaire will close on the 19<sup>th</sup> November 2021
