

## Hint box!

Colons can be used to start a list.

Remember! A colon can only be used after a main clause - it must make sense on its own.

*Example:*

I have many favourite bands: Little Mix, Take That and One Direction.

1. Tick one box to show which sentence has used a colon correctly.

My sandwich has: cheese, pickle and salad.	<input type="checkbox"/>
My sandwich: has cheese, pickle and salad.	<input type="checkbox"/>
My sandwich has many ingredients: cheese, pickle and salad.	<input type="checkbox"/>
My sandwich has many ingredients cheese: pickle and salad.	<input type="checkbox"/>

2. Rewrite the sentences placing the colon in the correct place.

a) Jemma liked to watch any Disney film The Lion King, Cinderella or Bambi.

---

---

b) My handbag held the following items a pencil case my purse and my keys.

---

---

c) There were many different activities available on the residential rock climbing, abseiling and kayaking.

---

---

d) James had many favourite footballers Ronaldo, Messi and Bale.

---

---

**3. Underline the main clause in these sentences.**

a) He had lost everything in the burglary: his computer, his family photographs and all his clothes.

b) Lucy played many different musical instruments: the recorder, the guitar and the piano.

c) There are many mountains in the United Kingdom: Ben Nevis, Snowdon and Scafell Pike.

**Challenge!**

**Finish this sentence with a suitable list.**

Jemima hated insects: \_\_\_\_\_ , \_\_\_\_\_ and \_\_\_\_\_ .
