

World Book Day – Skimming and Scanning Task

Books are brilliant! They can whisk you off to new and exciting places. They can show you things you have never seen before. They can open your mind to new ideas. World Book Day is all about enjoying and exploring books. It is also about celebrating the amazing work of authors and illustrators. More than 100 countries across the world take part in World Book Day each year.

On World Book Day, £1 book tokens are handed out to children across the country. The token can be exchanged, at most bookshops, for any exciting book from the World Book Day list. If none of the books appeal to you, then simply use your token to get a £1 discount off any book you like. Then have fun losing yourself in a whole new adventure!

How are you going to enjoy World Book Day this year? Here are a few ideas for you to try:

- Dress up as your favourite character.
- Illustrate a front cover.
- Write the blurb for a back cover.
- Write a review of your favourite book.
- Pretend you are interviewing your favourite illustrator.
- Invite an author into school.
- Rewrite the ending of a story.
- Illustrate and describe a character.
- Illustrate and describe a setting.
- Sit in a circle and take turns in adding bits to a story. Where will your adventure take you?

If you are dressing up, then you could also donate £1 to Book Aid International. They send much needed books to libraries in Africa. As well as leading you into unexplored, imaginative new worlds, books are an important resource; helping to educate people around the world. You could be supporting a life changing opportunity for a child in need – who knows where it could take them!
