This is a picture of a famous musician. Her name is Evelyn Glennie. She plays the drums.

Evelyn is deaf. She cannot hear the drum with her ears.

When she has bare feet, she can feel the drum's sound with her feet. The sound can travel from the drum through the air to Evelyn's feet.

Name **ONE other** thing that the sound can travel through from the drum to get to Evelyn's feet.

What can Evelyn feel with her feet when the drum makes a sound?
